### CURRICULUM

Our camp is based on the three pillars of ethical leadership as embodied by General George C. Marshall, who led the U.S. Army to victory in World War II and earned the Nobel Peace Prize.

#### Selfless Service

Ethical leaders place their team's mission above personal needs and preferences.

#### Unwavering Integrity

Ethical leaders have a well-developed sense of values and hold themselves accountable.

#### Visionary Leadership

Ethical leaders make decisions based on the future they seek to create.
